

СОЈУЗ НА ХЕМИЧАРИТЕ И ТЕХНОЛОЗИТЕ НА МАКЕДОНИЈА SOCIETY OF CHEMISTS AND TECHNOLOGISTS OF MACEDONIA

14th STUDENTS CONGRESS OF SCTM

Second announcement, 11.5.2021

Dear students,

We would like to inform you that the **XIV Students' Congress of SCTM** (with International Participation), will be held in Skopje, R. of N. Macedonia at the Ss. Cyril and Methodius University in Skopje, Faculty of Technology and Metallurgy, from 30th September till 2nd October 2021 according to the recommendations regarding to the Covid-19 situation in hybrid method with both physical (for domestic participants) and online (for foreign participants) participation. The students' congress is co-organized by the RIS ALiCE project: Al-rich industrial residues for mineral binders in ESEE region, supported by European Institute of Innovation and Technologies (Raw Materials).

The scope of the congress is to disseminate the results of graduate, post-graduate and PhD researchers via oral presentations from all fields of pure and applied chemistry as well as chemical engineering.
